Walking With The Spirit 2023

Thank you for your continued support and generosity with the Walking With The Spirit PTA fundraiser. Families enjoyed the YMCA Night in February for meeting the fundraising goal. This spring, students have been enjoying their class field trips using the PTA funds. The 2nd graders visited the Grand Rapids Public Museum and took a historical walk downtown, the 3rd graders visited Blandford Nature Center, and the 4th-6th graders went to the Henry Ford Museum and Greenfield Village. The 1st graders will be visiting the John Ball Park Zoo, the 7th graders will be participating in a retreat, and Young Fives and Kindergarten students will enjoy an end of year celebration in June.

These educational opportunities would not be possible without the amazing support from families, friends, and our generous sponsors. The 16th annual Walking With The Spirit will take place on September 15, 2023. If you know of any sponsorship opportunities, or would like to be a sponsor yourself, please contact Kelly Clancy at kclancy@hsparish.org.

From Andrea Dewicki, PTA President

As we wrap up this school year, we'd like to thank all of the parents for volunteering their time, talent, and treasure to help make this school year memorable for the students and staff. We cannot do it without you! Please remember to keep filling the gator over the summer!

RELIGIOUS EDUCATION NEWS

Becoming Catholic – If you know of anyone who may be interested in becoming Catholic, have them contact Diane now at dschoof@hsparish.org 616-453-1591 so we can meet to determine the best journey for their individual faith experience. We can start the process during the summer so they will be ready for the Rite of Acceptance in the fall. If someone has already been baptized, they might be able to take a different journey than the one required for the catechumens.

NO, YES, YES

1. Is your child baptized?
2. Are you raising him/her in the Catholic faith?
3. Is at least one of their parents a practicing Catholic?

If you answered these three questions as NO, YES, YES, let's resolve this situation so they will be able to receive their sacraments. For children younger than 7, contact the parish office at 616-453-6369 to schedule a baptism date. For children over age 7, contact the Religious Ed Office dschoof@hsparish.org or 616-453-1591.

NEWS FROM THE LUNCHROOM

Please make sure your lunch accounts are not in the negative and keep in mind any balance left on your accounts will carry over to next year. For 8th graders graduating to West Catholic, your accounts will also carry over. Thank you and have a wonderful summer!

Second-Third grades- *We have been learning vocabulary related to Spring (La Primavera). Your child may be able to identify a few vocabulary words about the season. Students also practiced and read their mini-book about this season and should have shared it with you by now. We are currently learning the fruits in Spanish with a fun song we practice.*

Fourth grade- *In Fourth grade, students learned vocabulary related to Spring (La Primavera). You should have seen a packet come home recently about this theme. Currently, we are reviewing Colors and School Objects.*

Fifth grade - *Fifth graders learned about the topic of making guacamole. We learned a song related to it and vocabulary about foods/ingredients. We are currently reviewing numbers to 100 and School Objects.*

Sixth-Seventh grades- *We recently finished Unit 3 and took a quiz. Students will receive letter grades for 4th quarter and grades are updated online. We are currently reviewing/learning useful vocabulary words in Spanish to make more complex sentences and numbers to 100.*

Eighth grade- *Students recently took a quiz on Unit 4 vocabulary. All grades are current online and students will receive a letter grade for 4th quarter. I've enjoyed having your 8th grader this year and I wish them well as they move to high school!*

It's hard to believe that we are wrapping up the 22-23 school year! I've so enjoyed working with your child(ren) this year; they have been a lot of fun to teach and a joy to be around! Please enjoy the summer months and I look forward to returning in the fall!

Featured Author of the Month

Congratulations to Keira G., in Grade 5C, for being the Featured Author of the Month. She has won a lunch of her choice, and her story is featured below.

Summary of

Galaxy

**By
Keira G.**

This book is dedicated to people who have lost a loved one so they know they are still with them.

Galaxy is a story about an eight-year-old girl, Autumn, who lost her grandmother when she was five years old. When she was young her grandmother would tell her many legends of the stars and the constellations they made up. The day her grandmother died she told her this story...

Then, her grandmother said, “once upon a time there was a grandmother. The stars were her friends. The stars wanted her to come with her to a magical place. So, she packed her stuff. Her ride was in a couple of minutes. The constellation Pegasus was going to take her there.” Autumn had tears coming from her eyes. Her grandmother said, “The magical place was called, Heaven.” Autumn whispered, “No”. Her grandmother said, “Goodbye Autumn,” and closed her eyes.

After her grandmother passed away Autumn was all alone. She asked many people from the village for help, but no one had time to care for her. Finally, a man came along and took her to a nearby village. She was given a place to live, clothes, food, and met new friends. Autumn still missed her grandmother very much. One night while falling asleep she saw a new star in the sky and had a dream about her grandmother riding the constellation Pegasus. Her grandmother was telling her to jump on and go for a ride with her, but Autumn wasn’t able to. When she woke the star was gone. The next night she saw the star again...

She saw the big bright star again. Then she could start to see the constellation again. “No. I’m just hallucinating. It can’t be it,” thought Autumn. She wasn’t dreaming. This was for real life. She had never seen anything like it. Autumn kept looking at it. Then, the constellation lit up in the sky. “Grandma? Is that you?” asked Autumn. “Yes Autumn, it’s me. You don’t have to feel sad anymore. Remember, even though you can’t see me anymore it doesn’t mean I’m not there. I’ll always be with you. I’m in a better place now. You’re not alone. I’ll tell you a story. Once upon a time there was a constellation called -” said Autumn's grandma. And just like that, Autumn fell right asleep.

About the Author

Keira is doing Track and Field; she likes to run long distances best. In the fall she did cross country; the longest run was 4 miles. This summer her family is going camping in Canada. Her family will also be going to Florida and staying in a beach house. She plays the piano and has a recital coming up soon. Her summer job is going to be painting portraits of people’s dogs; she plans to set up at her family’s garage sale.
