Frequently Asked Questions

Q: Who should complete this aid application?

A: Whomever the child resides with should complete this application whether it is a parent, grandparent, aunt/uncle, or legal guardian. There is a section within the application where you can enter contributions from non-custodial parents and relatives.

Q: Why do I need to input my spouse's information if I am remarried and they are not legally responsible for my children? A: Blackbaud Financial Aid Management's calculation works off of the total household income, therefore including all income, whether the party is legally responsible for your children or not. Our system however, does take into effect your spouse's expenses as well as their income. It is important to list all expenses that are asked of within the application.

Q: I do not have the required tax documents. HELP!

A: Include the most recent tax documentation you have available. If you are asked for a specific line from a tax document that you have not yet completed, please estimate the projected amount. If the document can't be provided, please click the check-box next to the required document. Then go to "Submit Documents" and choose the "Special Circumstance Letter" option from the drop down menu, and upload an explanation letter.

Q: How will I know if I qualify for aid or not?

A: We do not disclose information about the results of your application. All final tuition aid decisions, including notification of an award amount (if any); will be made by your school. For the date award notices will be given, please contact your school directly.

Q: What if I want to edit my application?

A: Once an application has been submitted and paid for it can **no longer be edited** by a parent. However, if changes are necessary a written statement with the change (including the application ID), should be sent to support@studentfinancialaid.blackbaud.school

Q: Which code should I select at the "Select a School" page?

A: You must select a "Parish Code" from the drop-down list according to which parish you belong to. If you are not a parishioner in the Diocese, please select the "NonParish" code. All applications will be considered for financial aid, but it is important to select a parish code as the diocese requires it in order to be considered for the Bishop Scholarship.
