In Sympathy

Please remember in prayer, the **Martinez Family** on the passing of their *Great-Grandmother*. May her soul, and all the souls of the faithful departed, rest in peace.

Holy Spirit Mission Statement

Our mission at Holy Spirit School is to live, learn, and share the message and teachings of Jesus Christ.

WINTERY WEATHER

Just a reminder that students are outside at arrival, during recess, and at dismissal, and must be dressed appropriately for the weather. As our weather turns “wintery” ~ please help your child/ren remember to bring boots to school for outdoor recess. Students who wear boots may play on the blacktop area...otherwise students without boots will remain on the sidewalk so that the salt, slush, etc...is not tracked onto the carpet in the classrooms. Students who are fully dressed for winter (i.e. – snow pants, boots, hats, gloves, etc.) may choose to play on the playground equipment, the upper/lower fields, and/or go sledding when offered. Let’s work together to keep all students healthy and warm!

ILLNESS

If a child is ill, he/she should remain at home. The Health Department suggests that a child who is well enough to be in school is well enough to participate in all school activities, including outdoor recess and physical education. If a child is ill and remains at home during the school day, the student may not attend extra-curricular activities on that day (Education Commission Policy #6146.2.)

If a child becomes ill during the school day, a parent, relative, or a person designated on the child’s enrollment form will be notified to come and get him/her.

What follows is a summary of the Health Department publication entitled, “When to Keep Your Child Home.” The school also uses these guidelines to determine if a child should be sent home from school as well.

FEVER	Do not allow child to return to school until fever-free for 24 hours. (unassisted-without medication)
COLD, COUGH	“Heavy cough” and hacking cough... keep home in bed even though no fever.
SORE THROAT	Sore throat, but no other symptoms...go to school... BUT check the throat for spots and check for a fever. If either is present, keep the child home and call the doctor.
RASH	Do not send a child with a rash to school until your doctor has said that it is safe to do so.
HEADACHE	Usually need not be kept home. (If you wish your child to take medication for a headache, you will need to bring the medication to the office in a labeled container, with a completed Medication Administration Release Form. (see the school web-site at www.holyspiritschoolgr.org under “Parent Information” – “Forms & Registration Info”).
EARACHE	Consult your doctor without delay.
TOOTHACHE	Consult your dentist.
VOMITING	Please keep the child home. They may return 24 hours after their stomach has calmed. Consult your doctor if it persists.

Respiratory Season Is Upon Us. There has been an increased number of pertussis (whooping cough) cases in Michigan and Kent County already this year. Please click this [LINK](#) to read a letter from the Kent County Health Department regarding the risks associated with pertussis.

Holy Spirit Teacher Gift Collection

Back by popular demand, this is the easiest Christmas shopping you will do all season long!

This eliminates the need for individual classroom collections, but does not replace the PTA gift given to the teachers each year.

1. Send your ONE per family contribution gift (any amount, if you choose) by cash or check payable to Holy Spirit to the school office no later than Friday, December 6th.
2. The PTA will divide the money among the full and part-time teachers and they will receive an Amazon gift card.
3. Your child's room parent will circulate a Christmas card for the children to sign that will accompany the gift.
4. Cross this off your Christmas to-do-list!

The gifts will be presented to the teachers on Wednesday, December 18th.
